

DrugPackage^{LLC}

Two Piece Book-Fold Cold Seal Card

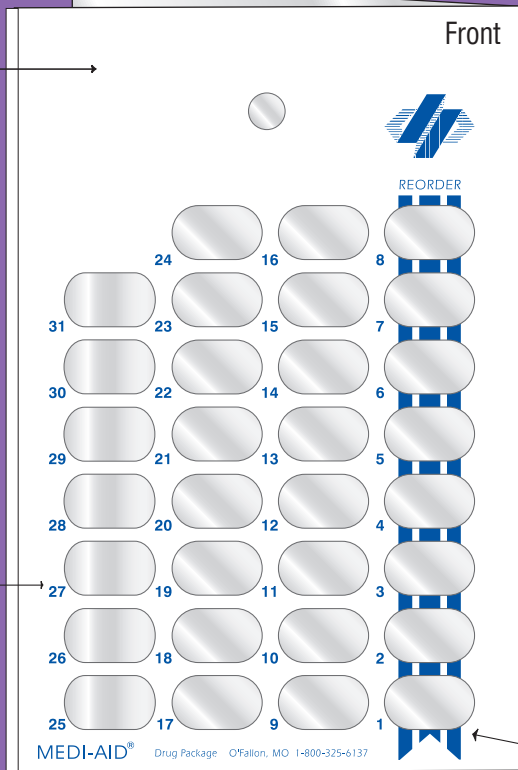

Drug Package two piece, 31 Count Cold Seal Book-Fold Medication Cards offer economical, convenient and secure medication packaging. Separate blister sheets allow choice of blister capacity for each card.

IN STOCK FOR IMMEDIATE SHIPMENT

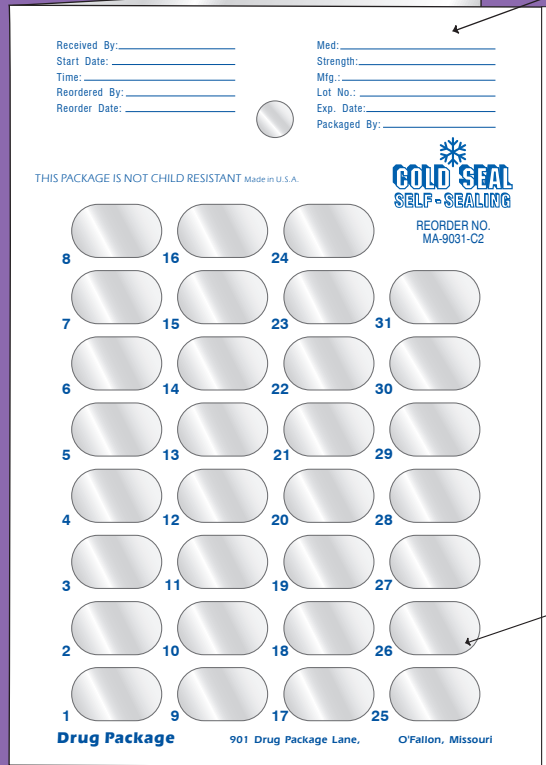

Book fold makes cards easier to handle.

Back is preprinted to capture all information required for drugs not in original container.

Ample room on front of card accommodates your label size.

Numbers offer instant count of filled cavities remaining.

Liner paper peels away to expose pressure-sensitive adhesive for no-gap seal.

Strong paper-backed foil protects medication until dispensing.

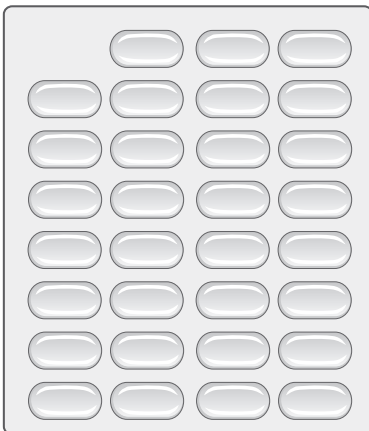

Catalog No: MA-9031-C2

Folded Card Size: 6" x 9"

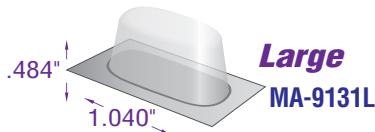

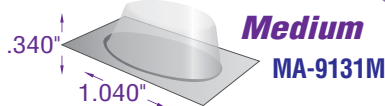

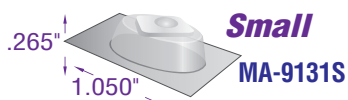

Back

Ribbon design highlights visual countdown for medication reorder.
