**Versatility**
Looking to fill vials, compliance packaging, punch cards and more? We offer just what you’re looking for in our Tech Mate and Versi-Fill II machines.

**Profitable**
Increase your productivity 3x without adding people. Now your pharmacy can automate the pill dispensing process with robotic systems that are productive and user-friendly.

**Safety**
Improve patient safety. barcode technology authorizes the use, verifies and records the dispensed medication.

Versi-Mate

ADAPTABLE
The Versi-Mate & Versi-Fill II will fill 95% of different multi-dose packages currently on the market.

PRODUCTIVE
Increase your Technician’s productivity by 3x without additional effort.

SMALL FOOTPRINT
The Versi-Mate Table Top is 30in (w) x 22in (d) x 21in (h). Ideal for retail pharmacies.

NEW Table Top!

The Versi-Mate fills vials, punch cards and compliance packs.

Vial Sizes: 16, 20, 30, 40, and 60 drams.

Packages: Unit dose, multi-dose, weekly cards, monthly cards, standard 31 day blister cards, 90 day blister cards, plastic cassette, etc.

The VERSI-MATE: is a stand alone, barcode driven table top machine and uses external canisters to fill the prescription. It is designed for easy installation, training and operation and has a table top footprint of approximately 30in (w) x 22in (d), standing 21in tall and weighs only 96lbs.

Versi-Fill II

The Versi-Fill II fills vials, punch cards and compliance packs.

Vial Sizes: 16, 20, 30, 40, and 60 drams.

Packages: Unit dose, multi-dose, weekly cards, monthly cards, standard 31 day blister cards, 90 day blister cards, plastic cassette, etc.

The VERSI-FILL II: is a 60 canister, stand alone, barcode driven system and is expandable up to 600 canisters utilizing the external canister option. It is designed for easy installation, training and operation and has a floor footprint of approximately 3ft (w) x 3ft (d), standing 6ft. tall.
